ORDER

J. PAUL OETKEN, District Judge:

On June 30, 2020, Plaintiff filed a motion for default judgment in this case. (Dkt. No. 47.) The motion is deficient because it fails to comply with Local Civil Rule 55.2, which requires, *inter alia*, proof of service on the defaulting defendant of the Motion, the Clerk's certificate of default, and the Notice. No such proof of service has been filed. Accordingly, Plaintiff shall file such proof of service or a letter to the court explaining why such service has not yet been made on or before August 17, 2020.

SO ORDERED.
